

ELEMENTARY LESSON PLANS

**Submitted by Michele L. Nelson
Alamance - Burlington Schools**

Lesson Title:

Aborigine Dot Turtles

Grade Level or Course:

1st grade

Time Allotment:

Two class sessions (30 minutes each)

Targeted Goals and Objectives from the 2000 North Carolina Arts Education Standard Course of Study and Grade Level Competencies, K-12:

- 1.04-Discuss and examine familiar objects and literature to inspire imagery
- 3.03-Recognizes that pattern is created by repetition and uses pattern in own artwork
- 4.01-Recognize that an artist's work has certain characteristics that distinguish it from that of others

Targeted Goals and Objectives from the North Carolina Standard Course of Study and Grade Level Competencies, K-12 for other content areas.

English Language Arts: Demonstrate familiarity with variety of texts

English Language Arts: Discuss and explain response to how, why & what if questions in sharing narrative and expository texts

Guidance: Demonstrate pride in work and achievement

Guidance: Consider ethnic & cultural diversity

Mathematics: Copy, continue & record patterns with actions, words, objects; translate into other forms

Mathematics: Create and record patterns. Identify & name the pattern unit

Mathematics: Solve problems by identifying and correcting errors in repeating patterns

Lesson Objective(s):

The learner will:

- be introduced to Aboriginal Dot and X-Ray art, as well as Australian Dreamings storytelling
- create a work of art in the style of Aboriginal art
- use repetition and pattern in a work of art
